We’d like to know what you think about changes to the post 16 travel pass, which some students use to travel to and from school and college. Please let us have your views by **12noon 4 May 2012**.

Proposed changes mean it will:
• become more like the freedom pass for under 16’s
• be managed by education and training providers
• cover bus travel
• rail travel would be up to each individual education or training provider
• cost no more than £520 and education or training providers have the choice to provide further financial support.
