1. Introduction

Kent County Council is proposing to expand St James’ Infant School from 210 places to 270 places.

We are currently undertaking a public consultation to seek the views of the wider community on this proposal. The Public Consultation Period will run from Monday 1 October 2012 to Monday 19 November 2012. There will be a public meeting on Thursday 4 October 2012 which will give you the opportunity to make your views known and to ask any questions you may have.

This document gives you details of the proposal, information on the background to it, and outlines the current position. There is a form at the end which we ask you to complete and return to us by 19 November 2012.

2. Why the change?

Royal Tunbridge Wells and the neighbouring villages have seen a number of small and medium scale housing developments over the last few years. In addition, there has been inward migration from London and other parts of Kent which has been a contributory factor to the indigenous growth. This growth and migration is bringing new families to the area requiring enhancements to the infrastructure in order to meet the future needs of the town and its residents.

The forecast data contained in the table on page 4 shows that in September 2013 a total of 60 additional reception year places will be needed in the Tunbridge Wells planning area. This number rises to 89 for September 2014.

Forecasts show that the year R numbers fluctuate, but remain high until 2016. Long term forecasts indicate that this trend will continue.

KCC is proposing a number of changes in the Tunbridge Wells planning area in order to manage these demands on primary provision.

3. The Proposal

In September 2010, St James’ Infant School agreed to accept 90 Reception year children for September 2010 and September 2011.

The increased demand for Year R places continues for September 2013 and Kent County Council is therefore proposing that St James’ Infant School increase its Reception Year R intake to 90, taking the proposed total capacity of the school from 210 places to 270 places.

The school would admit 90 reception pupils per year from September 2013 and subsequent years.
