1. Introduction

Kent County Council are proposing to expand Sevenoaks Primary School from 420 places to 630 places.

We are currently undertaking a public consultation to seek the views of the wider community on this proposal. The Public Consultation Period will run from Monday 8 October 2012 to Monday 26 November 2012. There will be a public meeting on Tuesday 9 October 2012 which will give you the opportunity to make your views known and to ask any questions you may have.

This document gives you details of the proposal, information on the background to it, and outlines the current position. There is a form at the end which we ask you to complete and return to us by 26 November 2012.

2. Why the change?

Sevenoaks town has seen a number of small scale housing developments over the last few years. This growth and migration is bringing new families to the area requiring enhancements to the infrastructure in order to meet the future needs of the town and its residents. Medium and long term forecasts indicate that the higher numbers of primary age children will continue.

In 2011, Sevenoaks Primary School agreed to a temporary enlargement to accommodate the increasing demand for primary school places. This temporary enlargement lasted for one year, then ceased.

Medium and long term forecasts indicate that the higher numbers of primary age children will continue to remain high. Sevenoaks Primary School is a popular and successful school, ideally placed to accommodate.

3. The Proposal

The increased demand for primary places continues for September 2013. Kent County Council are therefore proposing that Sevenoaks Primary School permanently increases its Year R intake to 90, taking the proposed total capacity of the school from 420 places to 630 places.

The school would admit 90 Year R pupils per year from September 2013 and subsequent years.
