1. Introduction

The Governors and Kent County Council are proposing to expand St Botolph's Church of England Primary School (Aided) from 210 places to 420 places.

We are currently undertaking a public consultation to seek the views of the wider community on this proposal. The Public Consultation Period will run from 8 October 2012 to 26 November 2012. There will be a public meeting on 10 October 2012 which will give you the opportunity to make your views known and to ask any questions you may have.

This document gives you details of the proposal, information on the background to it, and outlines the current position. There is a form at the end which we ask you to complete and return to us by 26 November 2012.

2. Why the change?

Northfleet and West Gravesend have seen a significant number of small scale housing development over the last few years. This growth is bringing new families to the area requiring enhancements to the infrastructure in order to meet the future needs of the town and its residents. Medium and long term forecasts indicate that the higher numbers of primary age children will continue as the Ebbsfleet Valley development continues.

St Botolph's Church of England Primary School (Aided) is a popular and successful school, ideally placed to accommodate the forecasted increase in demand for primary school places.

3. The proposal

The increased demand for primary places continues for September 2013. The Governing Body and Kent County Council are therefore proposing that St Botolph’s Church of England Primary School (Aided) increase its Year R intake to 60, taking the proposed total capacity of the school from 210 places to 420 places.

The school would admit 60 Year R pupils per year from September 2013 and subsequent years.
