1. Introduction

Kent County Council are proposing to confirm the expansion of Manor Primary School from 420 places to 630 places.

We are currently undertaking a public consultation to seek the views of the wider community on this proposal. The Public Consultation Period will run from Monday 12 November 2012 to Monday 24 December 2012. There will be a public meeting on Thursday, 15 November 2012 which will give you the opportunity to make your views known and to ask any questions you may have.

This document gives you details of the proposal, information on the background to it, and outlines the current position. There is a form at the end which we ask you to complete and return to us by 24 December 2012.

2. Why the change?

The eastern part of Dartford District, including Swanscombe has seen significant numbers of large and small scale housing development over the last few years. The Kent Thameside development particularly, is bringing new families to the area, requiring enhancements to the infrastructure in order to meet the future needs of the area and its residents.

In 2010, Manor Primary School agreed to a temporary enlargement to accommodate the increasing demand for primary school places.

Medium and long term forecast indicate that the higher numbers of primary age children will continue to increase. Manor Primary School is a popular school, ideally placed to accommodate the forecasted increase in demand for primary school places.

3. The proposal

The increased demand for primary places continues for September 2013. Kent County Council are therefore proposing that Manor Primary School permanently increases its Year R intake to 90, taking the proposed total capacity of the school from 420 places to 630 places.

The school would admit 90 Year R pupils per year from September 2013 and subsequent years.
