Kent County Council would like to hear your views on a proposal to expand Langton Green Primary School from 210 places to 420 places.

Date of Public Meeting:
at 7pm, Tuesday 20 November 2012, at Langton Green Primary School, Lampington Road, Langton Green, Kent, TN3 0JG.
1. Introduction

Kent County Council are proposing to expand Langton Green Primary School from 210 places to 420 places.

We are currently undertaking a public consultation to seek the views of the wider community on this proposal. The Public Consultation Period will run from Monday 19 November 2012 to Monday 14 January 2013. There will be a public meeting on Tuesday 20 November 2012 which will give you the opportunity to make your views known and to ask any questions you may have.

This document gives you details of the proposal, information on the background to it, and outlines the current position. There is a form at the end which we ask you to complete and return to us by 14 January 2013.

2. Why the change?

Royal Tunbridge Wells and the surrounding towns and villages have seen a significant number of small scale housing developments over the last few years. This growth is bringing new families to the area requiring enhancements to the infrastructure in order to meet the future needs of the town and its residents.

Medium and long term forecast for the local and wider neighbourhood indicate that the higher numbers of primary age children will continue. Langton Green Primary School is a popular school, ideally placed to accommodate the forecasted increase in demand for primary school places.

3. The proposal

The increased demand for primary places continues for September 2013. Kent County Council are therefore proposing that Langton Green Primary School permanently increases its Year R intake to 60, taking the proposed total capacity of the school from 210 places to 420 places.

The school would admit 60 Year R pupils per year from September 2013 and subsequent years.
