Alteration description

4. A description of the proposed alteration and in the case of special school proposals, a description of the current special needs provision.

It is proposed to expand the school by 15 places per year group, taking the total capacity of the school to 210 places. The school will admit 30 children into Year R in September 2014 and subsequent years.

School capacity

5.—(1) Where the alteration is an alteration falling within any of paragraphs 1 to 4, 8, 9 and 12-14 of Schedule 2 (GB proposals)/paragraphs 1-4, 7, 8, 18, 19 and 21 of Schedule 4 (LA proposals) to The School Organisation (Prescribed Alterations to Maintained Schools) (England) Regulations 2007 (as amended), the proposals must also include —
   (a) details of the current capacity of the school and, where the proposals will alter the capacity of the school, the proposed capacity of the school after the alteration;

The current capacity of the school is 178. The school changed to a half form entry primary school from a one form entry infant school in September 2008 through the statutory process. The school currently has capacity to take larger year groups as additional physical capacity was added in 2011. It is proposed that further physical capacity will be added for September 2014 should the proposal go ahead, bringing the total physical capacity to 210.

   (b) details of the current number of pupils admitted to the school in each relevant age group, and where this number is to change, the proposed number of pupils to be admitted in each relevant age group in the first school year in which the proposals will have been implemented;

The school has been admitting 30 pupils into Year R on a temporary basis at the request of the Local Authority to meet the demand for places in the locality. The proposed number of pupils
to be admitted on a permanent basis in Year R from September 2014 is 30.

(c) where it is intended that proposals should be implemented in stages, the number of pupils to be admitted to the school in the first school year in which each stage will have been implemented;

N/A

(d) where the number of pupils in any relevant age group is lower than the indicated admission number for that relevant age group a statement to this effect and details of the indicated admission number in question.

N/A

(2) Where the alteration is an alteration falling within any of paragraphs 1, 2, 9, 12 and 13 of Schedule 2 (GB proposals) /paragraphs 1, 2, 8, 18 ands 19 of Schedule 4 (LA proposals) to The School Organisation (Prescribed Alterations to Maintained Schools) (England) Regulations 2007 (as amended), a statement of the number of pupils at the school at the time of the publication of the proposals.

There are currently 163 children on roll at the school.

Implementation

6. Where the proposals relate to a foundation or voluntary controlled school a statement as to whether the proposals are to be implemented by the local education authority or by the governing body, and, if the proposals are to be implemented by both, a statement as to the extent to which they are to be implemented by each body.

N/A

Additional Site

7.—(1) A statement as to whether any new or additional site will be required if proposals are implemented and if so the location of the site if the school is to occupy a split site.

N/A

(2) Where proposals relate to a foundation or voluntary school a statement as to who will provide any additional site required, together with details of the tenure (freehold or
leasehold) on which the site of the school will be held, and if the site is to be held on a 
lease, details of the proposed lease.

N/A

Changes in boarding arrangements

8.—(1) Where the proposals are for the introduction or removal of boarding provision, or 
the alteration of existing boarding provision such as is mentioned in paragraph 8 or 21 of 
Schedule 2 (GB proposals)/7 or 14 of Schedule 4 to The School Organisation (Prescribed 
Alterations to Maintained Schools) (England) Regulations 2007 (as amended) —

(a) the number of pupils for whom it is intended that boarding provision will be made if 
the proposals are approved;

N/A

(b) the arrangements for safeguarding the welfare of children at the school;

N/A

(c) the current number of pupils for whom boarding provision can be made and a 
description of the boarding provision; and

N/A

(d) except where the proposals are to introduce boarding provision, a description of the 
eexisting boarding provision.

N/A

(2) Where the proposals are for the removal of boarding provisions or an alteration to 
reduce boarding provision such as is mentioned in paragraph 8 or 21 of Schedule 2 (GB 
proposals)/7 or 14 of Schedule 4 (LA proposals) to The School Organisation (Prescribed 
Alterations to Maintained Schools) (England) Regulations 2007 (as amended) —

(a) the number of pupils for whom boarding provision will be removed if the proposals 
are approved; and

N/A
(b) a statement as to the use to which the former boarding accommodation will be put if the proposals are approved.

N/A

Transfer to new site

9. Where the proposals are to transfer a school to a new site the following information—

(a) the location of the proposed site (including details of whether the school is to occupy a single or split site), and including where appropriate the postal address;

N/A

(b) the distance between the proposed and current site;

N/A

(c) the reason for the choice of proposed site;

N/A

(d) the accessibility of the proposed site or sites;

N/A

(e) the proposed arrangements for transport of pupils to the school on its new site; and

N/A

(f) a statement about other sustainable transport alternatives where pupils are not using transport provided, and how car use in the school area will be discouraged.

N/A
Objectives

10. The objectives of the proposals.

Swale’s population is increasing with families moving into the area and the birth rate continuing to rise. Kent County Council needs to add a significant number of primary school places to manage the increase in numbers of children coming forward. The objective of the proposal is to provide additional primary school capacity in the Faversham locality.

Consultation

11. Evidence of the consultation before the proposals were published including—

(a) a list of persons who were consulted;
(b) minutes of all public consultation meetings;
(c) the views of the persons consulted;
(d) a statement to the effect that all applicable statutory requirements in relation to the proposals to consult were complied with; and
(e) copies of all consultation documents and a statement on how these documents were made available.

A list of those consulted in accordance with agreed Kent County Council policy and The School Organisation (Prescribed Alterations to Maintained Schools) (England) Regulations 2007 (as amended).

- The governing body of the school
- Parent/Carers of pupils, teachers and other staff at the school
- The pupils at the school
- Other primary schools in the locality
- Families of feeder pre-school providers
- Trade unions
- Kent County Council and Swale Borough Council Members
- The Member of Parliament

A summary of the public consultation meeting held on Thursday 21 March, a summary of written responses received in response to the consultation and the consultation document can be found at: http://consultations.kent.gov.uk/consult.ti/Ethelbert/consultationHome

The statutory consultation requirements, as prescribed by the The School Organisation (Prescribed Alterations to Maintained Schools) (England) Regulations 2007 (as amended) have been complied with.

Hard copies of the document were circulated by the school to families of children registered at the school, members of all staff and the governing body. A hard copy of the document was sent to those listed above. The document was published on the kent.gov.uk website. An electronic copy of the document was widely circulated.
Project costs

12. A statement of the estimated total capital cost of the proposals and the breakdown of the costs that are to be met by the governing body, the local education authority, and any other party.

The estimated total cost of providing the additional accommodation for the school is £700k and this will provided by Kent County Council through Basic Need funding.

13. A copy of confirmation from the Secretary of State, local education authority and the Learning and Skills Council for England (as the case may be) that funds will be made available (including costs to cover any necessary site purchase).

A copy of the decision sheet signed by Kent County Council’s Cabinet Member for Education Learning & Skills agreeing to the allocation of capital funds to enable the expansion of Ethelbert Road Primary School to proceed can be found at:

Age range

14. Where the proposals relate to a change in age range, the current age range for the school.

N/A

Early years provision

15. Where the proposals are to alter the lower age limit of a mainstream school so that it provides for pupils aged between 2 and 5—

(a) details of the early years provision, including the number of full-time and part-time pupils, the number and length of sessions in each week, and the services for disabled children that will be offered;

N/A

(b) how the school will integrate the early years provision with childcare services and how the proposals are consistent with the integration of early years provision for childcare;

N/A
(c) evidence of parental demand for additional provision of early years provision;

N/A

(d) assessment of capacity, quality and sustainability of provision in schools and in establishments other than schools who deliver the Early Years Foundation Stage within 3 miles of the school; and

N/A

(e) reasons why such schools and establishments who have spare capacity cannot make provision for any forecast increase in the number of such provision.

N/A

Changes to sixth form provision

16. (a) Where the proposals are to alter the upper age limit of the school so that the school provides sixth form education or additional sixth form education, a statement of how the proposals will—

(i) improve the educational or training achievements;

(ii) increase participation in education or training; and

(iii) expand the range of educational or training opportunities for 16-19 year olds in the area;

N/A

(b) A statement as to how the new places will fit within the 16-19 organisation in an area;

N/A

(c) Evidence —

(i) of the local collaboration in drawing up the proposals; and

(ii) that the proposals are likely to lead to higher standards and better progression at the school;

N/A
(d) The proposed number of sixth form places to be provided.

N/A

17. Where the proposals are to alter the upper age limit of the school so that the school ceases to provide sixth form education, a statement of the effect on the supply of 16-19 places in the area.

N/A

Special educational needs

18. Where the proposals are to establish or change provision for special educational needs—

(a) a description of the proposed types of learning difficulties in respect of which education will be provided and, where provision for special educational needs already exists, the current type of provision;

N/A

(b) any additional specialist features will be provided;

N/A

(c) the proposed numbers of pupils for which the provision is to be made;

N/A

(d) details of how the provision will be funded;

N/A

(e) a statement as to whether the education will be provided for children with special educational needs who are not registered pupils at the school to which the proposals relate;
(f) a statement as to whether the expenses of the provision will be met from the school’s delegated budget;

(g) the location of the provision if it is not to be established on the existing site of the school;

(h) where the provision will replace existing educational provision for children with special educational needs, a statement as to how the local education authority believes that the new provision is likely to lead to improvement in the standard, quality and range of the educational provision for such children; and

(i) the number of places reserved for children with special educational needs, and where this number is to change, the proposed number of such places.

19. Where the proposals are to discontinue provision for special educational needs—
   (a) details of alternative provision for pupils for whom the provision is currently made;

   (b) details of the number of pupils for whom provision is made that is recognised by the local education authority as reserved for children with special educational needs during each of the 4 school years preceding the current school year;
(c) details of provision made outside the area of the local education authority for pupils whose needs will not be able to be met in the area of the authority as a result of the discontinuance of the provision; and

N/A

(d) a statement as to how the proposer believes that the proposals are likely to lead to improvement in the standard, quality and range of the educational provision for such children.

N/A

20. Where the proposals will lead to alternative provision for children with special educational needs, as a result of the establishment, alteration or discontinuance of existing provision, the specific educational benefits that will flow from the proposals in terms of—

(a) improved access to education and associated services including the curriculum, wider school activities, facilities and equipment with reference to the local education authority’s Accessibility Strategy;

(b) improved access to specialist staff, both educational and other professionals, including any external support and outreach services;

(c) improved access to suitable accommodation; and

(d) improved supply of suitable places.

N/A

Sex of pupils

21. Where the proposals are to make an alteration to provide that a school which was an establishment which admitted pupils of one sex only becomes an establishment which admits pupils of both sexes—

(a) details of the likely effect which the alteration will have on the balance of the provision of single sex-education in the area;

N/A

(b) evidence of local demand for single-sex education; and

N/A
(c) details of any transitional period which the body making the proposals wishes specified in a transitional exemption order (within the meaning of section 27 of the Sex Discrimination Act 1975).

N/A

22. Where the proposals are to make an alteration to a school to provide that a school which was an establishment which admitted pupils of both sexes becomes an establishment which admits pupils of one sex only—
(a) details of the likely effect which the alteration will have on the balance of the provision of single-sex education in the area; and

N/A

(b) evidence of local demand for single-sex education.

N/A

Extended services

23. If the proposed alterations affect the provision of the school's extended services, details of the current extended services the school is offering and details of any proposed change as a result of the alterations.

N/A

Need or demand for additional places

24. If the proposals involve adding places—
(a) a statement and supporting evidence of the need or demand for the particular places in the area;

Kent Council Council’s Commissioning Plan for Education Provision 2012-17 identifies a pressure on primary school places in Faversham from 2011, and a shortfall of places. The expansion of Ethelbert Road Primary School will address these pressures and adheres to the principles of our Commissioning Plan as it increases capacity at a good, popular school.
(b) where the school has a religious character, a statement and supporting evidence of the demand in the area for education in accordance with the tenets of the religion or religious denomination;

N/A

(c) where the school adheres to a particular philosophy, evidence of the demand for education in accordance with the philosophy in question and any associated change to the admission arrangements for the school.

N/A

25. If the proposals involve removing places—
(a) a statement and supporting evidence of the reasons for the removal, including an assessment of the impact on parental choice; and

N/A

(b) a statement on the local capacity to accommodate displaced pupils.

N/A

Expansion of successful and popular schools

25A. (1) Proposals must include a statement of whether the proposer considers that the presumption for the expansion of successful and popular schools should apply, and where the governing body consider the presumption applies, evidence to support this.

(2) Sub-paragraph (1) applies to expansion proposals in respect of primary and secondary schools, (except for grammar schools), i.e. falling within:

(a) (for proposals published by the governing body) paragraph 1 of Part 1 to Schedule 2 or paragraph 12 of Part 2 to Schedule 2;

(b) (for proposals published by the LA) paragraph 1 of Part 1 to Schedule 4 or 18 of Part 4 to Schedule 4

1. Ethelbert Road Primary School was judged as ‘Good’ by Ofsted in June 2010, with several outstanding features and good capacity for sustained improvement. The school is over subscribed and had 116 applications for a Year R place in September 2013.

2. (b) The proposal to expand Ethelbert Road Primary School is being brought forward by the Local Authority as it meets the criteria outlined in paragraph 1 of Part 1 to Schedule 4 of the School Organisation (Prescribed Alterations to Maintained Schools) (England) Regulations 2007 (as amended) because the proposal adds more than 30 pupil places and enlarges the physical capacity of the school by more than 25%. This proposal will make permanent the temporary enlargements that have already taken place.
