Consultation on the post 16 transport policy

Do you use the Kent 16+ Travel Card, or do you think you might in the future?

We are proposing to keep the card the same for the 2013-14 academic year, but we would like to know what you think about this. Please let us have your views by 5pm 9 May 2013.

At the moment, the card is:
• similar to the freedom pass for under 16’s
• managed by education and training providers
• for bus travel
• no more than £520 and education or training providers have the choice to provide further financial support

Tell us what you think and find out more at: www.kent.gov.uk/Post16Transport
