Have your say about Swanley Gateway

Gateway is a Kent County Council scheme that makes it much easier for people to access a range of public and voluntary services, from libraries and adult education to affordable housing and benefits advice.

Swanley Gateway is a joint scheme between KCC, Swanley Town Council and West Kent Housing Association and will see the existing building transformed to provide a refurbished library, Gateway and town council services, and a cafe.

1) What do you think of the proposed layout of Swanley Gateway?

2) What do you think of the proposed colour scheme?
3) Our partners will include.
