What are we planning to do?

We are planning to provide junction improvements at the junction of Scragged Oak Road with the A249 Detling Hill. We are planning to install an electronic Vehicle Activated Sign warning sign which will be activated by vehicles turning right from Scragged Oak Road. In addition we will be altering the road markings in the central reserve area and also providing some new static warning signage.

Why do we want to do this work?

To improve road safety following a number of injury crashes at this location.

How will we carry out the works and how will it affect you?

There will be phased lane closures affecting the A249 Detling Hill and also the turning movements into and out of Scragged Oak Road. The phased lane closures will be kept to a minimum duration and will only operate where necessary for the safety of our operatives while the equipment is installed.

- **Phase 1** - Eastbound lane 1 closure on A249 & banned left turn from Scragged Oak Road – duration 1 day (Road markings and new signage)
- **Phase 2** - Lane 2 closure on A249 in both directions & banned in and out right turns at Scragged Oak Road – duration 1 day (vegetation cutting and road markings)
- **Phase 3** – Lane 1 Westbound closure – duration 5 days (electrical connection and apparatus installation)

When will the work start and how long will it take?

The works are due to start on 4th August 2014 and end on 12th August 2014. We will work off-peak between 9.30am and 3.30pm.

How to contact us?

Visit our website www.kent.gov.uk/highways to find out how we look after the roads in Kent. If you have any concerns about how these road works will affect you please call us on 03000 418181 and quote “A249 Detling Hill CRM”.

Please respect our workers space and safety by driving carefully and slowly through the roadworks. Feedback from our workers shows that too many drivers go too fast through roadworks. Everyone is entitled to a safe workplace. Our men and women work next to moving traffic and risk injury every day.

Please keep this in a safe place so you can refer to it if you need to contact us whilst the works are being done – call us on 03000 418181

WARNING – Beware Bogus Callers

Kent County Council Highways & Transportation do not allow works to be carried out on private properties. If anyone says they are working for us or our specialist contractors and offer to carry out any work for cash they should be treated with caution and you are advised to contact Kent County Council Trading Standards on 0845 3450210, 24 hours a day, seven days a week.
