Dear Business Owner, Resident or Homeowner

Consultation on Sittingbourne High Street Improvements

Kent County Council (KCC) Highways are proposing an improvement scheme for High Street, Sittingbourne that includes:

- Repainting street lighting columns, bollards, metal litter bins and benches; enhancing the gateway to the High Street with new signs; the installation of an information point, new benches, pedestrian warning signs and 20 mph repeater signs.

Please find enclosed a plan showing details of the proposal. We would like to hear from you should you have any related transport concerns, points that you feel are appropriate to be considered or indeed if you wish to show your support.

Kent County Members Mike Baldock, Roger Truelove and Lee Burgess have chosen to fund this scheme from their Combined Member Grant allocation to help improve pedestrian and driver awareness and to promote and enhance the town centre.

Do you need more information? How to contact us
I hope that you find this information helpful and that it gives you sufficient detail to understand the improvements KCC and the County Members are proposing. Should you require further information about the proposals please call KCC Highways, Transportation and Waste on our 24hr helpline 03000 41 81 81, quoting “Sittingbourne High Street Improvements”.

Do you want to raise a concern or show your support? - How to contact us
Any related transport concerns, or comments of support need to be in writing. The proposals can be viewed online at www.consultations.kent.gov.uk and comments emailed to MHF@kent.gov.uk. Alternatively, you can write to us at the postal address shown at the top of this letter. The deadline for receipt of comments is 16.00 hrs on Monday, 22 September 2014. Please be aware, the scheme does propose changes to the existing footway or carriageway. Highway defects can be reported online at www.kent.gov.uk or by telephoning 03000 41 81 81.

Yours faithfully,

Elaine Hendren
