What are we planning to do?
Make Caxton Road one-way between its junctions with Fulham Avenue and Westfield Road. Traffic will be permitted to travel in a north-easterly direction (from Fulham Avenue towards Westfield Road. The bellmouth area of the Caxton Road junction with Westfield Road will be reduced to single lane width to discourage vehicles from turning into it from Westfield Road.

Why do we want to do this work?
Garlinge Primary School is increasing its pupil numbers over the next three years. This is likely to result in increased vehicle movements at school entry and exit times, leading to increased congestion in an already busy and narrow street. The introduction of the one-way will help mitigate the effects of the increase in school roll.

How will we carry out the works and how will it affect you?
To minimise disruption most of the works will take place during the October half-term school holiday. Remaining works, mainly on the footways, will be completed during the following week. A road closure will be necessary during the half term week in order to provide a safe working environment for our staff and for the protection of the travelling public. Diversions will be set up via Brooke Avenue and Kingston Avenue, please keep a look out for closure and diversion signs during this time. During the second week there will be no road closure.

We apologise for any inconvenience caused.

When will the work start and how long will it take?
The work is due to start on Monday 27 October 2014 and last for two weeks.

How to contact us?
Visit our website www.kent.gov.uk/highways to find out how we look after the roads in Kent.

If you have any concerns about how these road works will affect you please call us on 03000 41 81 81.

Please respect our workers space and safety by driving carefully and slowly through the roadworks. Feedback from our workers shows that too many drivers go too fast through roadworks. Everyone is entitled to a safe workplace. Our men and women work next to moving traffic and risk injury every day.

Please keep this in a safe place so you can refer to it if you need to contact us whilst the works are being done – call us on 03000 41 81 81

WARNING – Beware Bogus Callers
Kent County Council Highways & Transportation do not allow works to be carried out on private properties. If anyone says they are working for us or our specialist contractors and offer to carry out any work for cash they should be treated with caution and you are advised to contact Kent County Council Trading Standards on 0845 3450210, 24 hours a day, seven days a week.
