What are we planning to do?

Kent County Council is proposing to make Queens Avenue one way in the direction of the seafront and make alterations to the layout of the mini roundabout at the junction of Queens Avenue/Tivoli Road.

Why do we want to do this work?

The Queens Avenue/Tivoli Road junction has a persistently poor crash history despite previous efforts to improve the junction. In the last three year period to 30/04/2015 there have been 7 crashes resulting in personal injury at this junction. We have analysed the nature of the crashes occurring here and have identified a potential solution. Please see overleaf for the drawing showing the new proposals.

When will the work take place?

Subject to local feedback and approval of a new Traffic Regulation Order (TRO) for the new one way, works are expected to be carried out in January/February 2016. The TRO for the one way will also be subject to a further consultation and the intent will be advertised in the Thanet Extra & on site notices shortly.

A further information notice will be distributed to local residents prior to any works commencing on site to inform of dates and other details.

How to contact us?

We would like to hear from you regarding these proposals. Please send any completed feedback forms or any other formal written views on the improvement scheme to Mrs Garrett, Ashford Highways Depot, Javelin Way, Henwood Industrial Estate, Ashford, TN24 8AD or email to traffic.schemes@kent.gov.uk by and no later than Friday 11th September 2015.

Visit our website www.kent.gov.uk/highways to find out how we look after the roads in Kent.
