Local Transport Plan 4 Consultation Questionnaire

To be able to travel easily, safely and quickly to our destinations we need a transport network that can cater for current demand and that enables and supports future growth. By providing real transport choices and a resilient network, journeys will be reliable, which will stimulate regeneration and encourage people and businesses to come to Kent.

Kent County Council’s (KCC) Local Transport Plan 4 (LTP4) articulates what we will do to make sure transport is part of making Kent a great place to live, work and do business, by helping deliver on our very real growth potential.

The LTP is available online at [kent.gov.uk/localtransportplan](http://kent.gov.uk/localtransportplan). Hard copies are available via the Alternative Format contact details below.

We will be consulting on the draft LTP4 for a 12 week period from August 8th to October 30th. Your responses will help us to develop our policy and subsequently will be presented as a final draft at KCC’s Environment and Transport Cabinet Committee in early 2017, as part of the document approval process.

This questionnaire can be completed online at [kent.gov.uk/localtransportplan](http://kent.gov.uk/localtransportplan). Alternatively, fill in this paper form and return it to: Transport Strategy Team, Kent County Council, Invicta House, County Hall, Maidstone, Kent ME14 1XX

Please ensure your response reaches us by the 30th of October.
