Highway Improvements in Your Area
Speed limit reduction – The Street / Canterbury Road / Horselees Road / Staplestreet Road

What are we planning to do?
Kent County Council’s Highways, Transportation and Waste division, working in conjunction with Boughton Under Blean and Dunkirk Parish Councils, is planning to reduce the speed limit from 40 mph to 30 mph in the area shown highlighted below.

Why do we want to do this work?
This change aims to preserve or improve the amenities of the area through which the road runs and avoid danger to persons or other traffic using the road, or any other road, or for preventing the likelihood of any such danger arising.

How will we carry out the works and how will it affect you?
The works will be carried out under traffic lights. Access to all residents and premises will be maintained.

When will the work start and how long will it take?
The works are planned to take place early Summer 2016 and will take two days to complete.

How to contact us?
Visit the website www.kent.gov.uk/highways to find out how Kent County Council looks after the roads in Kent.
If you have any concerns about how this change will affect you, you can email TrafRegOrders01@kent.gov.uk by no later than noon on 01/04/16 and quote “Boughton Speed Limit”.
