What are we planning to do?
Kent County Council’s Highways, Transportation and Waste division, working in conjunction with Boughton Under Blean and Dunkirk Parish Councils, is planning to reduce the speed limit from 40 mph to 30 mph in the area shown highlighted below.

Why do we want to do this work?
This change aims to preserve or improve the amenities of the area through which the road runs and avoid danger to persons or other traffic using the road, or any other road, or for preventing the likelihood of any such danger arising.

How will we carry out the work and how will it affect you?
The works will be carried out under traffic lights. Access to all residents and premises will be maintained.

When will the work start and how long will it take?
The works are planned to take place early Summer 2016 and will take two days to complete.

How to contact us?
If you have any concerns about how this change will affect you please write to Kent County Council, Ashford Highway Depot, Henwood Industrial Estate, Javelin Way, Ashford, TN24 8AD, marked for the attention of Schemes Planning and Delivery Team. Alternatively you can email your comments to TrafRegOrders01@kent.gov.uk quoting “Boughton Speed Limit”. Comments will be received until noon 1st April 2016.

WARNING – Beware Bogus Callers
The Kent County Council Highways, Transportation and Waste division do not allow works to be carried out on private properties. If anyone says they are working for us or our specialist contractors and offer to carry out any work for cash they should be treated with caution and you are advised to contact Kent County Council Trading Standards on 03000 412020, 24 hours a day, seven days a week.
The highlighted area is currently subject of a 40 mph speed limit. Kent County Council propose to reduce the speed limit, in this area, to 30 mph.

Please keep this in a safe place so you can refer to it. If you need to contact us whilst the works are being done – call us on 03000 418181
