A21 Non-Motorised User Route to Tonbridge Station Pedestrian/Cycle Route

Feedback Questionnaire

We would like to give you an opportunity to let us know what you think of our proposal to provide a new ‘shared use’ pedestrian/cycle route facility to link the non-motorised user (NMU) route being constructed next to the A21 dualling scheme to Tonbridge Station.

The route will run along Vauxhall Lane, Pembury Road, St Stephen’s Street and Priory Road to Quarry Hill Road. The facility is planned to provide a safe, off street route by upgrading existing footways to allow cycling. This is achieved by widening the footpath from, generally, 2.5 metres to 3.0 metres. On St Stephen’s Street will use the existing on-road for cyclists as there is insufficient space to widen footways. Here, cyclists will be directed to use the street along with all other users, i.e. without a dedicated on-street cycle lane and directed back to the shared use facility at each end.

This questionnaire and the full set of proposal drawing are available on our website kent.gov.uk/pemburyroadcycleraoute.
