Kent Country Parks Strategy 2017-2021
PUBLIC CONSULTATION

Have your say

Kent County Council is privileged to own and manage a range of country parks and countryside sites which contain some of the highest quality natural habitats and landscapes that Kent has to offer.

We have drafted a four year strategy which sets out how we intend to protect and manage these natural environments at the same time as providing high quality opportunities for individuals, families and communities to play, learn and relax.

We would like your views on this strategy to ensure that we do all we can to meet the needs and expectations of Kent residents.

Please complete the short online survey by Monday 11th September.
