What are we planning to do?

A new playground has recently been installed by Dover District Council, with an entrance on Barwick Road, Dover. We wish to provide a safer place for families and children to cross Barwick Road in order to access the playground. It is proposed to install a kerb buildout opposite the entrance so that people crossing the road can safely see around any parked cars.

It is also proposed to extend the current ‘at any time’ waiting restrictions (double yellow lines) by approximately 100 metres to stop cars parking on the opposite side of the road and ensure that sightlines are not blocked.

A plan of the proposal can be found enclosed.

How will we carry out the works and how will it affect you?

The works would be undertaken by our contractors Amey. The buildout would mean that approximately 2 parking spaces will be lost outside the properties.

The works are being funded by the County Councillors for the area, Mr Nigel Collor and Mrs Pauline Beresford from their Member Grant.

Scheme implementation

We would like to hear from you, should you wish to support or object to these proposals, or if you have any other points that you feel are appropriate to be considered as part of the progression of this scheme.

How to contact us?

You can also see the proposals online at www.consultations.kent.gov.uk. Please contact us either in writing or by e-mailing tro@kent.gov.uk quoting Barwick Road, Dover. Please contact KCC with any comments before the consultation deadline of Monday 26 February 2018.

For further information you can also call Kent County Council Highways and Transportation on our helpline 03000 418181, Monday – Friday, 8am – 6pm.

Please respect our workers space and safety by driving carefully and slowly through the roadworks. Feedback from our workers shows that too many drivers go too fast through roadworks. Everyone is entitled to a safe workplace. Our men and women work next to moving traffic and risk injury every day.

WARNING – Beware Bogus Callers

Kent County Council Highways & Transportation do not allow works to be carried out on private properties. If anyone says they are working for us or our specialist contractors and offer to carry out any work for cash they should be treated with caution and you are advised to contact Kent County Council Trading Standards on 0845 3450210, 24 hours a day, seven days a week.
**New kerb buildout**

**Double yellow lines (see Dig CON2 for extents).**
