STATEMENT of REASON

In the Borough of Swale

THE KENT COUNTY COUNCIL (STAPLESTREET ROAD, DUNKIRK, BOROUGH OF SWALE) (WEIGHT RESTRICTION) ORDER 2018

Road Traffic Regulation Act 1984

Kent County Council acting as the local Traffic Authority and in exercise of its powers intends to make the proposed Order to prohibit any goods vehicle with a maximum laden weight capable of exceeding 7.5Tonne to proceed in the various roads described in the Order.

The recommendation to make the Order is to avoid the potential of large vehicles attempting to use less suitable routes and to reduce the amount of unnecessary through traffic by large vehicles to prevent danger to persons especially pedestrians, prevent damage to the roads and buildings and preserving the amenities of the area in which the road runs.

The scheme and its objectives meet with one of the central themes in Kent's Local Transport Plan 3 Enjoying Life in Kent (Improve Quality of Life) and Objective 3 of Kent's Freight Action Plan "To effectively manage the routing of HGV traffic to ensure that such movements remain on the Strategic Road Network for as much of their journey as possible" and Objective 4 "To take steps to address problems caused by freight traffic to communities".
